UNITED STATES MAGISTRATE JUDGE

Re: Order to Record Agreement to Forfeit Property
United State of America v. Michael Felder
U.S. District Court for the District of Maryland Case No.: JFM-04-323
Request for Discharge

Dear Judge Gesner:

This law firm represents Stanley Abrahams and the Estate of Norman D. Abrahams who are the holders of a deed of trust lien in, to, and against, among other things, the piece of commercial real property in Baltimore City, Maryland known as 3200 Reisterstown Road (the "Property"). I write to you in connection with the Property and that certain Agreement to Forfeit Property for Non-Appearance or Non-Compliance With Conditions of Release dated February 7, 2005, and signed by the defendant in the above-referenced case, Michael Felder (the "Agreement"). Your Honor entered an Order to Record the Agreement and the Agreement was subsequently recorded among the Land Records of Baltimore City, Maryland. A copy of the Agreement and Order are enclosed for your convenience.

It is my understanding after looking into this matter and my conversations and correspondence with the U.S. Department of Justice that the Agreement is moot as Mr. Felder already appeared, was sentenced and is currently serving his sentence. Accordingly, on behalf of the Abrahams, who hold a superior lien on the Property, I respectfully request that the Agreement be discharged.

Hon. Beth P. Gesner
